June 2023

Dear Levittown Families of Incoming 12th Grade Students,

It is hard to believe that we only have a few short weeks left in the school year. Summer is right around the corner! With that being said, we are embarking on our Summer Reading for summer 2023.

Students headed to 12 AP or to 12th grade English courses will have an assigned reading and accompanying assignment. For the 12th grade *College Writing* course, students will read an assigned book entitled *When I Was Your Age* edited by Amy Ehrlich. For the 12th grade *English Literature* course, students will read *Monsters: A Bedford Spotlight Reader* by Andrew J. Hoffman. See assignments that coincide with each of the 12th grade courses on the district homepage and your high school's homepage. These books were handed out to the incoming 12th grade students by the high school librarians. For 12 AP students, please see the district homepage for your high school's summer assignment.

Students must read their assigned books thoughtfully and be prepared to come into class on September 5, 2023, ready to discuss, share, and write about what they read in their assigned book. Simply skimming the book will not be acceptable. Students are encouraged to use post-its as they read as this helps with their critical analysis and comprehension of what they read.

The first unit in your English class will include a written assignment based upon your assigned summer reading book. As such, the reading must take place prior to the start of classes. First quarter grades will include class activities and written assessments that are associated with your assigned summer reading book/assignment.

Thank you for your support and encouragement with this initiative. This will help us succeed in getting our students prepared for their new grade level in the fall and encourage the love of reading. I wish you the happiest of summers. Happy Reading!

Sincerely,

Kerin L. Slattery, Ed.D
