II. REPORTS

A. Student Presentations

i. Academic Presentation - Northside – Summer Reading

Mr. Winch asked Mr. Mortillaro, Principal of Northside School, and Ms. Slattery, Director of English, to highlight the Summer Reading Extravaganza. Mr. Mortillaro introduced the teachers, Assistant Principal, and students who will be presenting. Ms. Slattery introduced the Librarians from Northside and the Levittown Public Library who supported our reading efforts. She reported that current research shows that the average student will lose approximately one month of instruction during the summer break. To avoid this loss, it is imperative that students read over the summer to maintain comprehension and vocabulary skills, as well as to strengthen their ability to analyze information and think critically. Mr. Mortillaro advised that reading is so important, and it is important that we motivate children to want to read. He remarked that this program helped children get excited about literature. A slide show was presented which showed the programs journey from inception to completion and highlighted what the Summer Reading Extravaganza was all about. Ms. Slattery commented that this was more than a program, it was an extravaganza! She noted that a lot of work goes into making a program such as this but it is a labor of love for everyone. The novel chosen was Escape From Mr. Lemoncello's Library by Chris Grabenstein. The Board and Administration thanked everyone for this wonderful experience for the children.

ii. Presentation – Division Avenue High School – Distracted Driving

Dr. Sturz spoke about LEADD (Levittown Education Against Destructive Decisions) Week. He noted that traditionally the week-long program is focused on alcohol and substance abuse prevention. Dr. Sturz remarked that this year, Division took on an innovative project – distracted driving. He asked all of Division Avenue's Administrators to come up front. He introduced all of the Peer Leader students and Mr. Verdi, an English teacher. Dr. Sturz acknowledged all the wonderful things that Mr. Verde does for the school and community. The students expressed their desire to bring awareness to the issue of destructive driving. They acknowledged that distracted driving has become a huge problem that we are all guilty of. An incredible video was shown of the various ways the students could get their message across. The Board thanked the Peer Leaders and Mr. Verde for an open discussion about this project.

She noted the District has a healthy balance sheet and that she found nothing out of the ordinary was found. Ms. Battaglia thanked the Business Office and Mr. Pastore for providing the documents necessary to complete the Audit in a timely fashion. Mr. Pappas had questions for the Auditor on workers compensation and unemployment insurance, and revenues over budget. Ms. Battaglia responded to these questions. Dr. McDonald commented that Audits are stressful and require a lot of work. She thanked the Auditors for helping to mediate the process.

VI. AD HOC

1. Board Policies - First and Second Read

Policy No. 6551 - Family and Medical Leave Act - 2nd Read

Ms. Rifkin noted that this policy was changed for clarification of the practice so that employees are clear on how they qualify.

Policy No. 3272 - Advertising in the Schools - 1st Read

Mr. Cohen explained that he took the District's existing Advertising Policy and added in commercial sponsorship of school activities. He reported that the first paragraph is new and announces the policy of the Board to encourage sponsorship. He noted that this will allow the Board and Administration to seek out and encourage corporate sponsorship of student events, curriculum and vocational programs which allows the sponsor to be recognized while prohibiting the promotion and advertising of a particular product or service which is not legal. The Board had a discussion of this subject and more changes were made to streamline the policy. Mr. Cohen advised that done correctly this policy can bring in financial support to the District.

VII. MOTION TO ADJOURN

The Board adjourned the public meeting at 8:45 PM.

PUBLIC BE HEARD

PLEASE NOTE: COPIES OF ATTACHMENTS SUBMITTED ARE GIVEN TO THE BOARD OF EDUCATION AND THEN KEPT WITH THE OFFICIAL MINUTES IN THE DISTRICT CLERK'S OFFICE.

The guidelines pertaining to Public Be Heard were read by the Board President.

Brooke Gambino 10 Leaf Lane, Levittown, NY

Ms. Gambino attends GC Tech as a Medical Assistant Student. She noted that several changes have been made within the new school year by individuals who have no involvement with the event or subject that they are changing. She remarked that the clubs uniqueness and student enjoyment of GC Tech have been demolished. Ms. Gambino advised that club meetings are now being held afterschool instead of during the day since it is believed that they interfere with instructional time. She commented that after school there is no transportation to get back to home school, many students work, some have to pick up a younger sibling and some are out of district. Ms. Gambino stated that the negatives outweigh the positives. She spoke about the problems now obtaining Government credit with this change. Ms. Gambino asked that the Board consider all that she commented on.

Jane Finkelstein 848 Mayer Drive, Wantagh, NY

Ms. Finkelstein noted that she was following up on her request from the last meeting about issuing a Connect Ed message regarding the Levittown Coalition Meeting concerning drugs and alcohol. She commended the Board for honoring her request. She reported that because of that message, a lot of people attended the meeting. Ms. Finkelstein thanked the Board for listening and hoped that they would continue with this conversation in regards to what is going on with our community. She was wondering where the Coalition fits in terms of the School District. She mentioned that we need to save lives.
