Ms. Marianne Adrian, Vice President
Mr. Dillon Cain
Ms. Christina Lang
Ms. Jennifer Messina
Mr. James Moran
Mr. Michael Pappas

ADMINISTRATION

Dr. Tonie McDonald – Superintendent of Schools
Mr. Bill Pastore– Assistant Superintendent
Ms. Debbie Rifkin – Assistant Superintendent
Dr. Donald Sturz- Assistant Superintendent
Mr. Todd Winch – Assistant Superintendent

OTHERS

Mr. Bob Cohen – Legal Counsel
Ms. Elizabeth Appelbaum – District Clerk
Ms. Erin Cassano – Student Liaison MacArthur High School
Ms. Sonia Inderjit – Student Liaison Division Avenue High School

I. CALL TO ORDER

A. Ms. Marenghi, President, called the Regular Board Meeting to order at 6:30 PM. On a motion by Mr. Moran, seconded by Ms. Lang and approved (7-0) that the Board adjourn to Executive Session for the purpose of negotiations conducted pursuant to the Taylor Law involving the CSEA.

B. The Board reconvened to Public Session at 7:30 PM on a motion by Mr. Cain seconded by Ms. Adrian and approved (6-0). Ms. Marenghi asked everyone to stand for the Pledge of Allegiance led by a student from Summit Lane Elementary School and requested a moment of silence for all the men and women serving our country at home and abroad.

II. REPORTS

A. Student Presentations

i. Outdoor Learning Center – Summit Lane School

Mr. Winch called upon Mr. Squillaciotti, Principal of Summit Lane and Mr. McDermott, Director, Science and Outdoor Learning Center to introduce this presentation. Mr. Squillaciotti began by thanking the Board, Administration, parents and his faculty members present for their support. Additionally, he thanked Mr. McDermott for being the pioneer of this program. He noted that the students are always excited to come to Levittown Memorial to visit the Outdoor Learning Center which consists of a classroom, pond and greenhouse. He remarked that when the students come back to Summit they are energized about science. Mr. Squillaciotti stated that not many Districts have a program such as this where you can take a District bus for a few minutes and explore science. Mr. McDermott gave a short history of the program and explained that selected grade levels of elementary students are bused over to Memorial several times a year to experience real life science. The children were brought in to speak about their experiences working with the different tools a scientist uses.

B. Recognition

i. Adopt A Family – Esta Lachow and Gina Interdonato

Dr. McDonald noted that both Ms. Lachow and Ms. Interdonato were unable to attend tonight's meeting.

ii. Art Display – Gardiners Avenue School

Ms. Marengi asked everyone in the room to look at the beautiful art work in the Board Room and hallway from the Gardiners Avenue students.

C. Superintendent

1. Comments and Reports

Dr. McDonald was happy to announce that both high schools qualified for the State Science Olympiads Program. She noted that this is a first for Levittown.

Additionally, Dr. McDonald reported that she had received from Section 8 the cutoffs for schools and unfortunately Division and McArthur will be playing each other in league play.

A. 2018-2019 Budget

i. Draft of 2018-2019 Rollover Budget Presentation

Mr. Pastore stated that this was the second night of Budget Presentations. He gave an update on the changes made to the Budget Planning Calendar. He noted that the Tax Levy limit calculations have been revised to take into account the change in the growth factors. Mr. Pastore reviewed the Board of Education Goals which are to build financial and fiscal security and establish a future wellbeing for the District and the community. He noted that after review of some items on the budget, a few adjustments were made and the budget-to-budget increase is now 2.72 but we will continue to tweak it when we get better numbers.

ii. Special Education Budget

Dr. Sturz gave his presentation on the Department of Pupil Services. He commented that there is a wide variety of departments and programs under this office for which Special Education is a part. In developing his budget each year, Dr. Sturz looks at classification trends, high-needs students, programs and developing technology. He noted that we had a decline in the CSE numbers but it may be misleading in that we are seeing an increasing number of students with higher needs. These students require more therapeutic services. Additionally, we are experiencing an increase in requests for evaluations. Therefore, costs will be increasing because of these needs. Dr. Sturz stated that we are also seeing an increase in the number of Pre-School children since more and more children are being identified at an earlier age. He noted that the 504 number is increasing because the regulations have changed as far as eligibility and more students are presenting with more and more issues that are requiring accommodations. He explained that what we are seeing most frequently within the 504's children presenting with asthma, ADHD and anxiety. Mr. Sturz commented that his office has seen an increase in the number of meetings held. He explained that new budget codes were established to help create greater transparency for rate adjustments that occur for private schools and districts. The Planned Initiatives for next year include continuing the social emotional learning and expand support. Dr. Sturz showed a short video on a new program called Practical Assessment Exploration System which gives the students real life work experiences. He stated that the year-to-year budget increase is 6.27%. He remarked that he is always trying to be fiscally responsible while still meeting the needs of the children. Dr. Sturz thanked everyone for all their help.

The Board asked Dr. Sturz to provide the number of 504's per building and per grade level along with a three year history.

2. Follow-up to Prior Public Be Heard Questions
(none)

3. Follow-up to Board Questions

Dr. McDonald answered several questions asked by Board members prior to the Board meeting on the following:

Kickup Contract: Mr. Winch explained that this is a new company in the area that performs professional development that focuses on data to determine if the Professional Development Program you are using is working and having an impact.

Warrants: Dr. McDonald reported check #151302 was for Elementary Math Professional Development.

Account #: On **A5510.1500**, Dr. McDonald stated that the account is negative and explained that we hired a driver, who subs as a dispatcher when one of them is out. When he was hired the salary was classed to A5510.1500, but it should have been classed to A5510.1600. Only when he actually subs as a dispatcher should the money come from A5510.1500. It will be declassified for the February reports and that will make it a wash. On **A5540.400** for contracted buses, a question was asked if we would need a budget transfer for this in the near future. The answer is yes, we will need a budget transfer in March. Mr. Pastore is working on that projection. For the **HEX Fund, 2100.2000.7999-8002** Smart School Technology, a Board member asked if this is related to the Smart Fund Technology Bond. Dr. McDonald responded yes, and that we are moving along with the three year

plan that was submitted. The money carries forward each year. We received approval for \$1,384,922 and we have an additional allocation of \$3,584,148. There is no time limit on this grant. The plan is online and we will bring a copy to the meeting.

School Calendar Adoption: A question on our plans for the printed calendar. Dr. McDonald responded that the plan is to provide the same calendar that we did last year with all of the holidays listed.

- D. Board of Education
- 1. Comments and Reports

Ms. Marengi reported that she recently attended the Challenger Game. It was a great game with much support in the stands from students, faculty and parents.

Ms. Marengi commented that Mr. Matty Buchys, a student, had asked her to invite everyone to the Salk/MacArthur Challenger Homecoming at Salk Middle School to help support the athletes.

- 2. Correspondence
(none)

- 3. Student Liaisons

Erin Cassano, the student representative from MacArthur High School, reported on the events at her school: a sumo wrestling fundraiser was held; the second winter concert of the season was conducted; a 9th grade survey breakfast was held to try to improve the transition from middle school to high school; Science Olympiad students attended the Regional Competition and qualified for the New York State Tournament; the Junior Banquet will take place in March and the theme this year is The Great Gatsby; the Mathletes Team competed in the Nassau County Mathletes Tournament with a respectable showing; a third Winter Concert is coming up and congratulations go to two seniors who were selected candidates for the United States Presidential Scholarship Program.

Student Liaison, Sonia Inderjit, shared the events at Division Avenue High School: the Division Avenue and MacArthur Cheerleading Teams won first place in the respective divisions at the Nassau County Section 8 Competition; elective teachers held an Elective Fair for prospective students to raise awareness; Science Olympiad students attended the Regional Competition and earned a spot at the State Competition for the 10th consecutive year; the PTA will host a painting party; there is an upcoming Junior College Planning Night coming up; Junior Prom will be held at Verdi's; Spirit Week and Emmy Night will begin soon and the play Mary Poppins will be shown in March.
