II. REPORTS

A. Superintendent

1. Comments and Reports

A. Summer Programs Update - Dr. Beth Zirogiannis gave a brief update on the Summer 2023 Programs for the Levittown School District.

SUMMER PROGRAMS 2023				
Summer Jumpstart	Camp Invention			
Extended School Year (ESY) - Elementary & Secondary	Middle School Stem Camp			
Summer Music	Adventures in Local History			
Summer Recreation*	Marine Biology			
SCOPE Summer Enrichment Programs**	College Tour Camp			
Driver Education	Regents Review			
*in partnership with Levittown Island Trees Youth Council **in partnership with SCOPE Education Services	MS ELA & Math Bootcamp			

Mr. Pappas asked what programs the District offered for the SCOPE. Dr. Z replied that SCOPE sets the curriculum with minimal input from the District. In addition, the College Tour Camp was a huge success, with the students visiting UConn, Northeastern, Bryant, Stonehill, Boston University, University of Rhode Island with a surprise visit to Yale University. Watching the progression of this program from planning in July 2022 to an actual event was incredible to see. Ms. Adrian asked if there was a plan to attend SUNY schools in the future. Dr. Zirogiannis replied that parents tend to visit the SUNY schools, so the idea was to keep a different experience and provide students alternatives. Pennsylvania might be a place to visit next Summer. Ms. Messina asked about the ELA Bootcamp and who is able to attend. Students in grade levels 6 – 8 who may be identified as to be best served and those attending will now be able to meet the requirements at each grade level.

B. Strategic Plan and Board Goals

Mr. Winch discussed the strategic plan that was posted on the District website for the community to review. The Strategic plan will be adopted at tonight's meeting and we will have the opportunity to tweak anything listed moving forward. At the next meeting, we would like to review Board Goals, District Level Administration goals and hopefully, we will both have the same vision. With input from the community, staff, parents, etc. we will have the opportunity to work toward the same goals. Full alignment with all District goals is the hope and the intent to all get on the same page, working together step by step.

Evaluation of Overall Strategic Plan

Each Core Objective in the plan has a mechanism for evaluation as follows:

Core Area 1: By 2026 there will be a 10% increase in the overall number of students who feel they are prepared for postsecondary life based on student exit surveys

Core Area 2: By 2026, improve student and parents responses on surveys by 10% on questions related to school safety, student behavior and student well-being.

Core Area 3: By 2026, results on district surveys administered to employees will improve by 10%

Core Area 4: Ensure through 2026 that fiscally responsible budgets are adopted as evidenced through tax levy increases at or below the allowable limit. In addition, improve District ranking on at least one local or national ranking metric by 10%

A link to the strategic plan can be found on the website. Ms. Adrian noted that she was so happy to be a part of this strategic plan, thanking our community members, and seeing this come to fruition is amazing. Mr. Winch thanked the Board for their commitment to this process.

- 2. Follow-up to Prior Public Be Heard Questions NONE
- 3. Follow-up to Board Questions

Mr. Winch responded to Mr. Pappas' prior meeting question about replacing trees in our District. The District is looking in to having this done by the County/Town and several have been fixed that were eyesores and hazards to the students walking. Mr. Pappas also thanked Legislator John Ferretti who reached out to the District about this.

B. Board of Education

1. Comments and Reports

Ms. Marenghi noted the passing of two legends in the education community, Dr. Robert Dillon from Nassau BOCES and Fred Langstaff from the Nassau Suffolk School Board Association. Through the years, they have put in a multitude of hours and their dedication to the students will be greatly missed.

Reason:

BOCES was unable to accept several students that we had budgeted for under BOCES' code, as they did not have ample space. Therefore these student were placed in private schools, as the school district does not have appropriate placement for them. Also note that even though an rate increase of 3 to 5 % was budgeted for the actual increase was closer to 6 to 8%.

NEW YORK AMENDATORY ENDORSEMENT

This endorsement modifies insurance provided under the following:

SPECIFIC EXCESS WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

This endorsement applies only to the insurance provided by the policy because New York is shown in Item 3 of the Declarations Page.

I. The last paragraph of section C. Final Premium under PART EIGHT – PREMIUM is deleted replaced with the following:

If we cancel this policy, final premium will be calculated pro-rata based on the time this policy was in force. The final premium will not be less than the pro-rata share of the minimum premium.

If you cancel this policy, return premium will be calculated at 90% of the pro-rata unearned premium. The final premium will not be less than the minimum premium.

When the premium is advanced under a premium finance agreement, we will be entitled to retain a minimum earned premium of 10% of the total Policy premium of \$60 whichever is greater.

The cancellation will be effective even if we have not made or offered a refund.

- II. The following changes are made to PART NINE CONDITIONS of this policy:
 - A. The following two paragraphs are added to Condition A. Notice of an Accident:
 - 5. Notice given by or on behalf of the insured, or written notice by or on behalf of the injured person or any other claimant, to any agent of ours in New York State, with particulars sufficient to identify the insured, will be considered to be notice to us.
 - 6. Failure to give any notice required by this Condition within the time period specified will not invalidate any claim made by you if it is shown not to have been reasonably possible to give notice within the prescribed time period and that notice was given as soon as reasonably possible.
 - B. The following two (2) paragraphs are added to Condition G. Bankruptcy or Insolvency:

Endorsement Number: 5

Policy Number: WCX 0068867 00

Named Insured: Levittown Union Free School District

This endorsement is effective on the inception date of this Policy unless otherwise stated herein:

Neither the insolvency nor bankruptcy of the Self-Insurer, nor failure or default on the part of the self-insurer to comply with obligations pursuant to the Workers' Compensation Law on account of any loss occasioned during the term of this policy shall release the company from its undertaking under this policy, but in such event the Company shall become jointly liable with the Self-Insurer for and shall pay directly to the claimants, or at the direction of the Chair of the Workers' Compensation Board or the Board to the persons or person entitled thereto, to the Chair or the aggregate Trust Fund or to any other Special Fund provided by law, such portion of any obligation which exceeds the retention and subject to the liabilities stated in said Declarations. Such payment shall release the Company from liability to the same extent as if such payment had been to the Self-Insurer by way of reimbursement. Nothing in this paragraph shall be construed to give the claimant a direct right of action against the Company.

In the event of your bankruptcy or insolvency as the Qualified Self Insurer or failure or default on your part to comply with obligations pursuant to the "Workers Compensation Law", the Chairman of the Workers Compensation Board shall be subrogated to your rights as the Qualified Self-Insurer in enforcing the provisions of this policy.

- C. Condition J. Action Against Us is deleted and replaced by the following:
 - a. Except as provided in Paragraph b., there is no right of action against us by any person or organization to:
 - (1) Join us as a party or otherwise bring us into a suit asking for damages from you; or
 - (2) Sue us unless all of this policy's terms have been complied with.
 - b. With respect to "bodily injury" claims, if we deny coverage or do not admit liability because an insured or the injured person, someone acting for the injured person or other claimant fails to give us written notice as soon as practicable, then the injured person, someone acting for the injured person or other claimant may bring an action against us, provided the sole question is whether the denial of coverage or non-admission of liability is based on the failure to provide timely notice.

However, the injured person, someone acting for the injured person or other claimant may not bring an action if within 60 days after we deny coverage or do not admit liability, we or an insured:

- (1) Brings an action to declare the rights of the parties under the policy; and
- (2) Names the injured person, someone acting for the injured person or other claimant as a party to the action.
- D. Condition K. Cancellation or Non-Renewal is deleted and replaced by the following:
 - This policy is effective at 12:01 a.m. on the inception date stated in Item 2 of the Declarations Page and will remain in force until cancelled as provided under this condition. All the provisions of this policy apply separately to each consecutive 12 month period beginning on the date shown in Item 2 of the Declarations Page in the same manner as if a separate policy had been written for each consecutive period.
