

**SUBJECT: EXTENDED SCHOOL YEAR (JULY/AUGUST) SERVICES AND/OR PROGRAMS**

The School District shall provide, directly or by contract, special services and/or programs during July and August (i.e., extended school year) to those students whose disabilities are severe enough to exhibit the need for a structured learning environment of twelve (12) months duration in order to prevent substantial regression as determined by the Committee on Special Education (CSE)/Committee on Preschool Special Education (CPSE). Written consent of the parent is required prior to initial provision of special education services in a twelve (12) month special service and/or program.

The CSE/CPSE must determine whether a student requires extended school year special education services and/or programs in order to prevent substantial regression. Substantial regression would be indicated by a student's inability to maintain developmental levels due to a loss of skill, set of skill competencies or knowledge during the months of July and August. In accordance with Commissioner's Regulations, students must be considered for twelve (12) month special services and/or programs to prevent substantial regression if they are:

- a) Students whose management needs are determined to be highly intensive and require a high degree of individualized attention and intervention and who are placed in special classes; or,  
  
Preschool students whose management needs are determined to be highly intensive and require a high degree of individualized attention and intervention;
- b) Students with severe multiple disabilities, whose programs consist primarily of habilitation and treatment and are placed in special classes; or  
  
Preschool students with severe multiple disabilities, whose programs consist primarily of habilitation and treatment;
- c) Students who are recommended for home and/or hospital instruction whose special education needs are determined to be highly intensive and require a high degree of individualized attention and intervention or who have severe multiple disabilities and require primarily habilitation and treatment; or  
  
Preschool students whose special education needs are determined to be highly intensive and require a high degree of individualized attention and intervention or who have severe multiple disabilities and require primarily habilitation and treatment in the home; or
- d) Students, including preschool students, whose needs are so severe that they can be met only in a seven (7) day residential program; or

**SUBJECT: EXTENDED SCHOOL YEAR (JULY/AUGUST) SERVICES AND/OR PROGRAMS (Cont'd.)**

- e) Students who are not in programs as described in subparagraphs (a) through (d) above during the period from September through June and who, because of their disabilities, exhibit the need for a twelve (12) month special service and/or program provided in a structured learning environment of up to twelve (12) months duration in order to prevent substantial regression as determined by the CSE; or

Preschool students who are not described in subparagraphs (a) through (d) above whose disabilities are severe enough to exhibit the need for a structured learning environment of twelve (12) months duration to prevent substantial regression as determined by the Preschool Committee on Special Education (CPSE).

For students eligible for twelve (12) month service and/or program, per Commissioner's Regulations Section 200.4(d)(2)(x), the student's Individualized Education Program (IEP) shall indicate the identity of the provider of services during the months of July and August, and, for preschool students determined by the CPSE to require a structured learning environment of twelve (12) months duration to prevent substantial regression, a statement of the reasons for such recommendation.

The IEP shall indicate the projected date of the review of the student's need for such services and shall indicate the recommended placement.

The State Education Department (SED) is authorized to approve programs and to establish State Aid reimbursement rates for all special services and programs provided during July and August, both public and private. Therefore, if the School District plans to operate a July/August program, the District must first apply to SED for approval in accordance with SED guidelines/procedures.
