Wisdom Lane Middle School  
Cost: \$250

Open to all Levittown School District students that will be entering 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade in the upcoming **2018-2019** school year.

## What is Camp Invention?

Camp Invention is the only nationally recognized, non-profit summer enrichment program that is inspired by the brightest thinkers around- the Inductees of the National Inventors Hall of Fame. Children are empowered to have big ideas while they take on challenges that inspire them to question, brainstorm, collaborate with teammates, and build amazing invention prototypes. The program is taught by certified Levittown Public Schools teachers.

# What Happens at Camp Invention?

Students rotate through multiple STEAM activities each day. Examples of these activities include:

## Optibot™:

Campers will launch into the future with their own Optibot – a small self-driving bot that senses changes in light. Campers will have the opportunity to design tracks for their bots to follow, explore impact sensors using a small-scale crash test dummy and discover how sensors are used in vehicles. Campers will also personalize their own line tracing robot to take home!

## Mod My Mini Mansion™

Campers will dream up and design their very own futuristic smart home filled with gadgets, LED's, technology and innovation! Campers will make their own take-home mini mansions and explore renewable sources to power up their eco smart homes.

## Does my child need to bring anything to the program?

Materials to upcycle such as boxes, beads, bubble wrap, paper towel rolls, etc. A complete list of suggestions will be provided after registration.
