DEAR PARENT OR GUARDIAN:

Every effort should be made to administer medication at home, as it does represent a disruption in the student's school day.

However, if your physician feels that medication is necessary during the school day, please submit this completed form before medication is sent to school.

A new form must be filled out for each change of medication and renewed each school year. State law does permit administration of medication during the school day - only with written directions from the physician and parent. In some instances, approval by the school physician may be required. Students may not take medication without official written directive (from the physician and parent) or to take medication without supervision.
