

Levittown School District Holiday Adopt a Family Program

Hi Everyone:

We hope this finds you and your loved ones well. People have already been contacting us to see if and when the program will start up again in light of this COVID nightmare. Our answer is YES!!!! BUT....it's going to be a very different program this year since we need to limit contact, maintain social distancing and expect to have so many more people in need of food and clothing. We know so many of you like to personally shop or share the shopping experience with your children...please understand, we can't do that this year. We are asking instead for gift cards.....any amounts will do but please don't donate any card larger than a \$25 denomination. (If you want to donate \$100, please get 4 \$25 gift cards). We are asking for gift card donations to only these following stores: Walmart, Target, King Kullen, Stop & Shop, Shoprite, CVS, Rite Aid, Kohls and Amazon. What we will be doing is distributing the gift cards throughout the district to individuals/families identified by our Social Workers as in the past. For those of you who donate cash; please contact Esta directly at 520-1546 to discuss this.

At this moment we don't have a number of how many people we will be assisting; and know that some of our donors are themselves in need of assistance this year. Through this process, we hope to ensure everyone gets some help. Now more than ever, we ask for your help.....donate yourself, with family or friends, with your work department, through a social club, etc. Levittown is an amazing community, which has certainly been demonstrated over these past 11 years that we have run this program. Last year you "adopted" 218 individuals and showered them with gifts, assistance and love.

Please contact Esta at e13ral@optonline.net or Gina at ginterdonato1216@gmail.com to sign up. Please let us know how much you are willing to donate and what store gift cards you will be purchasing. Additional information will be sent to you regarding gift card drop off, etc. We thank you for your kindness and support as always.

Stay safe, stay well.....Esta & Gina
