THURSDAY, OCTOBER 26, 2017
7:00PM
AND GET INVOLVED!

This meeting is an opportunity to meet dedicated members of the Levittown Community Action Coalition who will share what steps the coalition has begun to take in the prevention of underage drinking, prescription drug and heroin use.

It is an opportunity to share what you know, what you need, and be part of the solution. A Community Mapping Event will take place to help the coalition collect anonymous data in an effort to continue working on our Mission and Vision.
