BOYS/GIRLS - Black shoes

Our Winter Concerts are always a wonderful event! Our students truly "shine" this night as they fill the All Purpose Room with their many outstanding talents. Please come with them to their concert to watch them perform. The children have been well prepared, and are very excited to have you there.

*Here are a few ways that **YOU** can help us put on the best concert yet!*

Please be a courteous audience member. The students need to focus all their attention on this evening to perform to the best of their abilities. People walking around in the audience, doors slamming, and flashes going off **DURING** the performance can be very distracting to a nervous performer. A good rule to follow is to wait until the music stops to do these things.

For your comfort and safety, we ask that all children audience members remain with their parents. Please do not allow your children to sit on the floor in front of the performers!

Please meet your child where you dropped him/her off promptly at the end of the concert.

We are looking forward to seeing you at our concerts. Your support and cooperation mean a great deal to us and we thank you for it. We are very proud of your children and know they will do a magnificent job.

Sincerely,

The East Broadway Music Department
