January 2018

Dear Parents, Guardians, and Students,

I hope each of you enjoyed your time off. January is a busy month. It is a time for reflecting and thinking about ways to improve our lives by making resolutions. It is also an important time for all of our students as they begin to meet with more challenging academic work. The children have been working very hard to learn the skills and strategies needed to be successful readers. The skills they learn now will help them in all of their subject areas and will prepare them for middle school and high school. As I visit each of the classrooms, I am impressed by how much they have learned thus far and the high level of dedication that many have in wanting to succeed. Getting good grades is hard work. The children need your guidance at home, in addition to the support they receive at school, in order to meet these challenges. I thank you for your continued support as we work together to help your children to be the best students they can be.

The home/school connection is essential. I know our students will succeed if we all work together to Make Every Minute Count! To help improve the communication process, we have several means for you to receive school information. Our school news can be found on our monthly newsletter, and on the outside bulletin boards in front and back of the building. In addition, our webpage contains a calendar with information regarding Talent Show rehearsals times, music rehearsals, and extra-curricular dates and times. Please refer to this page often as it is updated regularly. We are also proud to announce that we have begun to use Instagram, Twitter and Facebook. Please like us on these platforms to see pictures throughout the week. Our hashtag is #SuccessAtLPSEBPolar Bears. We hope you enjoy seeing some of the excitement going on at East Broadway.

I wish you a happy and healthy New Year. May all of your New Year's resolutions and dreams for 2018 become a reality!

Yours with East Broadway Pride,

Jeanmarie Wink, Principal

SCHOOL HOURS

9:10 AM – 3:28 PM

Walkers will be permitted inside the building at 8:50 AM, via the Seamans Neck Road entrance, at which time there will be proper supervision.

School begins promptly at 9:10 AM. The doors on Seamans Neck Road will be closed at 9:10 AM. Many students arriving after this time will be marked late. Let's make every minute count!

CHANGE IN DISMISSAL

This still seems to be an ongoing work in progress. Please remember to send in a note to your child's teacher when there will be any changes in how your child(ren) go home. This includes LAP, BUS, AND WALKER. We cannot guarantee that we will get e-mails, and we definitely cannot take dismissal changes over the phone or from the child. Dismissal is difficult enough without all the changes being made without some written notification.

In September, the PTA generously supplied yellow dismissal change pads to the students. You only need to fill in the blanks. Please try to use these because they contain all the information our main office needs to make the necessary changes. Please remind your child to hand it in to the teacher so the teacher is aware that there is a change for the day.

We are trying with all our might to make dismissal as perfect as possible. WE TRULY APPRECIATE YOU ACTIVELY TAKING A PART IN OUR DISMISSAL PROCEDURE.

happy new year
