PRINCIPAL'S MESSAGE

Dear Parents, Guardians, and Students,

Spring is almost here! So many wonderful things have happened at East Broadway and we have so many more wonderful events to look forward to in the coming months.

We are all looking forward to our Bright Ideas Convention on March 12, sponsored by our SDM committee. Students may bring in their Science Fair project on the morning of March 12. The projects will be collected during the day and will be displayed in the APR from 4:00-7:00 p.m. on March 12th. All are invited to attend. Students are not required to stay with their project. However, if they wish to stay for the entire evening, a parent must supervise their child during the evening as their will be no staff supervision.

A special thank you to all our chairpersons and committee members for the extra work you do to make the events special for our children. Each of these events builds community spirit and makes children excited to come to school. The amount of time and energy that you devote to our school does not go unnoticed. We are grateful to have you as part of our team. We truly could not be successful without you.

Please be reminded that our third, fourth, and fifth grade students are taking their New York State ELA for grades 3, 4, and 5 on April 11 and 12. The New York State Math exam will be May 1, and 2. The children have been working hard during the day to learn the skills necessary to become proficient readers, writers and math students. Children perform best when they get a good night's rest before coming to school. For many, eating a good, healthy breakfast in the morning helps prepare the students. Students are reminded to bring three number two sharpened pencils on their testing days.

As always, we are grateful for your continued support. Together, we really are Making Every Minute Count!

Yours with East Broadway Pride,

Jeanmarie Wink
Principal

Important Dates:

ELA Exam

Grade 3, 4, and 5 - April 11, 12

Math Exam

Grade 3, 4, and 5 - May 1, 2

Arrival and Dismissal

School begins promptly at 9:10 AM. This means students should be in their classroom at this time, ready to begin their first lesson. Students who arrive after 9:10AM, will be marked late and it will be on their attendance record. The kindergarten door is now open at 9:00AM and the main door on Seaman's Neck Road is opened by 8:50 a.m. Please make every effort to arrive prior to 9:10 AM as the doors will be closed at 9:10 so the staff members can be on time for their students. We strongly encourage you to stop, drop and roll along with your vehicle to keep the flow of traffic running smoothly.

Please do not double park before or after school. I realize that it is easier than walking a block or two, but this practice will help to keep your children safe. Giving yourself a few extra minutes in the morning and afternoon to find a parking spot will help with stressful times of the day.

**PLEASE REMEMBER TO MAKE ALL CHANGES TO YOUR CHILD'S
DISMISSAL IN WRITING TO THE TEACHER.**

MARCH 2018 DATES TO REMEMBER
