PRINCIPAL'S MESSAGE

Dear Parents, Guardians, and Students,

It is hard to believe that the first semester of school is over. The children and staff have been working hard in all curriculum areas. We hope that your Parent Teacher Conferences were productive. Parents often ask how they can help their children with their school work. We encourage parents to assist their children with all home assignments and help their child to become more fluid with math facts. Some children need more parent guidance than others and, as such, there is no magic amount of time for each child. As parents, you know your child best and, therefore, know how much assistance your child might need from you. We hope that the reduced amount of written homework will help you with additional time for study work. The first report card is a time to reflect on how your child is doing and to make changes so your child is successful for the remainder of the year.

Our PTA continues to be busy planning several special activities for our students. Please be sure to look for upcoming events on our monthly newsletters. We suggest keeping the calendar of events in a convenient location, so you have easy access to knowing what is happening at East Broadway. You can also check the website as the "live" Calendar is always updated.

I want to take this opportunity to wish the entire East Broadway Community a wonderful holiday season. May the spirit of the season bring joy to all of you.

Yours with East Broadway Pride,

Jeanmarie Wink
Principal

A WORD FROM OUR ASSISTANT PRINCIPAL, MR. MILTON JOSEPHS

It has been wonderful getting to know you over the first trimester. Your children have settled down into their daily routine, and as I go into classrooms there is a wonderful “buzz.” Students working in groups solving math problems, having discussions about the “Main Idea,” or inquiring young minds investigating a concept in science.

To support all the different areas of the curriculum, it is vital that your child strengthens their reading stamina. Please encourage your child to read every day. Whether it be in bed just before they go to sleep or in a special reading spot in the living room – wherever they are happiest reading, please encourage your child to read. Talk to them about what they have read and why they like or dislike what they are reading.

My door is always open. I would love to continue to meet as many of you as possible!

JONATHAN’S GIFT OF LOVE

If it is within your means, please consider sending in a toy for our Jonathan’s Give of Love annual toy drive. Students can bring the toy to the main office until December 13. These toys will be distributed to local hospitals.

TRAFFIC CONDITIONS ON SEAMANS NECK ROAD

Double Parking, Illegal U-turns and the School Parking Lot

Please remember that the safety of our students is our primary concern. Double-parked cars, during arrival and dismissal, put our children at risk for an accident. In addition, cars that enter the parking lot, when buses are present, also put our students at risk. Finally, please be reminded U-turns in front of the school put all of our students and their families at risk.

Please note that the “No Parking “ signs in front of the school have been removed so that you can park legally when you are visiting East Broadway.

DRESS FOR FINE DINING

On December 20, we invite all students to wear special clothes to school to participate in a fine dining experience. The cafeteria will be transformed into a special dining hall. Here, they will practice using good manners and proper dining etiquette. Save the date and polish your shoes!

**THANK YOU FOR CONTINUING TO SEND
DISMISSAL CHANGES
IN WRITING TO THE TEACHER.**

**Happy
Holidays!**
