Shared Decision Making Team

October 23rd 2019

Minutes

Mr. Josephs opened the meeting by thanking all the attendees – teachers and parents.

AM Arrival

Arrival was going well overall in the mornings, however, there were still instances of double parking happening which is dangerous. Mr. Sabella noted that we went to discuss this with the 8th Precinct – NCPD and they will send a car whenever possible.

District Literacy Initiative

Mr. Josephs outlined the various activities that the district would be participating in this year for the elementary schools. These included Book Baggies, Ninja Book Night where PTA and staff members will be hiding books around the local community for students to find. In March there will be a March Madness bracket using different texts, a PARP week, Book Tasting events and so on. Parents are actively encouraged to participate. The PTA volunteered to get help from local businesses for the Ninja night.

Career Day

Mr. Josephs explained that there would be a Career Day for 4th & 5th Grades sometime late May/early June 2020. There is to be a Career Day sub-committee to help organize and implement this. Mrs. Wink suggested we could also wear college t-shirts/sweatshirts as well. Various formats for career day were discussed. More to come in the coming months.
