Dear Parent/Guardian:

Please review the following requirements for sports participation for 2020/2021 Fall sport season.

Due to the current COVID 19 pandemic students will be permitted to participate in the Fall 2020 sport season if they previously had a physical examination for the 2018/2019 or the 2019/2020 school year. **Please keep in mind that this applies to the Fall 2020 Sport season only.** Students will need a current physical for winter sports. A health history form filled out by a parent or guardian no more than 30 days prior to the start of the sport must be submitted for all athletes.

All registration and health histories for sports must be completed by a parent or guardian online through Family ID. Family ID registration will open July 26th for Football and on August 2nd for all other Fall sports.

Please note that the Athletic Program is subject to change due to the current COVID 19 pandemic. Please check the district website for updates.

In addition please note that all students entering 9th and 11th grades are required by New York State to have proof of a current physical exam and a Dental Health Certificate submitted to the Health Office by October 1st, 2020. These forms are available to be downloaded from the Levittown School District website under District Forms. Please note that any physical performed after 9/1/19 will be considered current for the 9th or 11th grade physical.

Regards,

Mary E Hastings RN
Barbara Angus RN
