December 2017

**Monday, Jan. 22 – Thursday, Jan. 25**

Dear Parent/Guardian:

Your child is scheduled to take several exams during the Midterm Exam Week. To help prepare students for these exams, a series of extra help preparation classes has been arranged. In addition, the regular schedule of extra help sessions that your child's teachers have maintained all semester will still be in place. If your child still needs extra help to prepare for an exam that you do not see listed below, please contact the department curriculum associate.

**These classes will begin on Tuesday, January 2.** Regular attendance is expected. We anticipate your cooperation in encouraging your child to take advantage of these extra-help sessions that are designed to promote "success for every student."
