

SAT/ACT Test Prep

Levittown School District students
now have access to **FREE** test prep!
The Levittown School District account
is administered by the Guidance
Counseling Office.

Dear Parents,

The Levittown School District has provided your child with access to Method Test Prep, an online course that helps students build their math, reading, writing, and SAT/ACT test prep skills. Access is via a link on the left hand side in the Student Center area of students' Castle Learning Online (CLO) accounts.

(See "How students access Method Test Prep through Castle Learning" at <http://www.methodtestprep.com/help>.)

Clicking our link in Castle Learning will set up your child's own account and the course will keep track of all the work he or she has completed.

Students can listen to math, verbal and writing tutorials and each tutorial is accompanied by a quiz to test student mastery. The program is highly adaptive and keeps track of a student's strengths and weaknesses. Students have access to a large pool of practice questions and receive instant feedback upon completion of each question. This feedback includes easy-to-understand explanations.

Students and parents have seen measurable progress when using Method Test Prep. Method Test Prep uses proven strategies that are clear and easy to understand for any type of learner. Method Test Prep is interactive and time efficient. By using internet technology, students are more engaged and their time is focused on areas in need of improvement.

Method Test Prep is a good fit for any type of student. The website can be accessed at any time of day or night most convenient to the student. Method Test Prep is designed to be used independently or as a supplement to other SAT or ACT prep.
