Dear Parents and Guardians of Jonas E. Salk Middle School,

The Levittown School District is excited to announce that we will now be offering the convenience of online registration for athletics, intramurals and various school trips and programs through **FamilyID** ([www.familyid.com](http://www.familyid.com)). **FamilyID** is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be administratively efficient and environmentally responsible. When you register through **FamilyID**, the system keeps track of your information in your **FamilyID** profile. You then have the ability to enter your information only once for each family member for multiple uses and multiple programs. This program is currently being used by surrounding Districts, and the reviews have been extraordinarily positive.

**STARTING WITH THE FALL 2019 SEASON, FAMILY ID WILL BE THE REQUIRED METHOD FOR REGISTERING YOUR SON/DAUGHTER FOR INTERSCHOLASTIC ATHLETICS.**

**\*\*\*At this time we ask you to visit our Family ID website and submit an Intent to Play form for Fall Sports. Intent to Play will be open for registration from now until July 1<sup>st</sup>.\*\*\***

**INFORMATION NEEDED TO REGISTER:**

It will be helpful to have the following information available to allow for accurate completion of your online registration.

- Current and relevant medical information for your son/daughter.
- The email address you would like to use for **FamilyID**.
- The name(s) and information of your child's emergency contact(s).
- Any special instructions or concerns you would like the Levittown School District to be aware of regarding your child.

**REGISTRATION PROCESS for SALK Athletics/Intramurals (FALL SEASON):**

All **6<sup>th</sup> and 7<sup>th</sup> grade** parent/guardians should register by: VISITING THE SALK HOME PAGE [www.levittownschoools.com/salk/](http://www.levittownschoools.com/salk/) and clicking on the FAMILY ID, ATHLETIC REGISTRATION link found under Parent Resources.

**REGISTRATION PROCESS for MACARTHUR Athletics (FALL SEASON):**

Please follow the step-by-step tutorials that are linked to your School Landing Page.

**SUPPORT:**

- If you need assistance with registration, contact **FamilyID** at [support@familyid.com](mailto:support@familyid.com) or 888-800-5583 x1.
- Support is available 7 days per week and messages will be returned promptly.

Some of the benefits of utilizing this system include but are not limited to:

**Ease of Access of Emergency Information:** Your child's emergency information, including allergies and emergency contacts, will now be one button away for any faculty or staff member who is responsible for them at an extracurricular school function. This will ensure that, in case of an emergency, all relevant information can be accessed and shared in the most efficient manner possible.

**Efficiency of the Registration Process:** Once you create the profile for your son/daughter, fields such as date of birth, address, emergency contact, special instructions/considerations, etc. will be saved for you. You will not have to repeatedly fill out this information unless you need to make a change or add special instructions. Registration will now sometimes be as simple as checking off the program you are consenting to and providing your electronic signature.

**Peace of Mind:** In utilizing an online registration system, parents will have the ability to easily check what programs they have registered their child(ren) for. Forms will no longer be lost in transit. If there is a problem with your registration (i.e.; expired medical clearance), you will be notified of that immediately and will be able to rectify the situation at your earliest convenience. Additionally, you will have the ability to update forms via scanning and uploading from your computer OR through the camera on your mobile device.

**Data Privacy:** FamilyID is a service that Levittown School District has paid for but is FREE for parents to use. As such, we now have the ability to limit your child's information to only the faculty and staff for whom it is necessary and only for the time period during which it is required.

Thank You,

Jeff Aiello
