Dear Parents/Guardians,

The Levittown Public Schools wishes to continue a regular program of trips and visitations even though we are in a period of heightened national security. By signing this permission slip, you not only give permission for your child to participate in the trip identified below, but you acknowledge we are in a state of heightened security and further acknowledge that in the event that the district determines that there are sufficient security risks, the district may cancel the field trips or visitations. Cancellation could result in the loss of any money paid for the trip. Each trip will be evaluated and reevaluated on an individual basis.

For students attending any field trip the code of conduct below must be signed by both the student and the student’s parent and returned to the school:

**Field Trip Permission Slip**

Students acknowledge responsibility to obey all school rules, regulations and all appropriate laws. Students not only pledge to obey all of the above, but also agree to report to a chaperone any incident that they are aware of that may be in violation of school rules, regulations and/or appropriate laws. Any student determined to be harassing, hazing, bullying or otherwise violating these or other school rules or local, state, federal laws may be sent home at parental expense and further disciplinary actions will be considered. Any student observing and not reporting such actions may also be subject to disciplinary action. You may be required to sign an additional permission slip sent by the school/teacher in order for the student to participate (reverse side of this form). **Please make the school nurse aware of any health concerns.**

We understand that due to prior reservations there will be **NO REFUNDS**. We have read the above code of conduct, agree to its provisions and hereby consent and request that our child participate in the field trip described below:
