Dear Parents:

As you are aware, all middle school students are required to take the New York State Assessments in English and Math. The exams will be administered over 2 days. We will be administering the exams during regular school days.

- The ELA will be administered on **Wednesday and Thursday, April 11th and 12th**
- The Math Assessment will be administered on **Tuesday and Wednesday, May 1st, and 2nd.**

The students will take the exams beginning Period 1. They will report to their homerooms for attendance and then report to their testing sites. The testing will take approximately 90 minutes per day. The remainder of the day they will follow their regular schedule, but the periods will be abbreviated (similar to our delayed-opening schedule). Lunch will be served as usual.

Please make every effort to ensure that your child is at school ***on time***. If your child is absent on an exam day, please contact our Attendance Office at 434-7356 to report the absence.

If you have any questions, please call 434-7350.

Sincerely,

John Zampaglione
