They shared some exciting apps and programs that are being used in the classrooms such as Flipgrid, Nearpod, Seesaw, WhiteBoard.Fi and Jamboard. The goal is to provide students with the opportunity to create, collaborate, communicate and think critically while also being able to share their knowledge with a larger audience using familiar tools. The Principals from the two schools thanked the Board of Education, Central Office and the Technology Department for bringing a one to one chromebook initiative to the school district.

B. Recognition

i. Student Art Presentation

Ms. Marengi asked everyone in the room to look at the spectacular art work in the Board Room and hallway from MacArthur High School.

ii. PTA Council Board and PTA Presidents

Mr. Winch stated that tonight we are honored to recognize the leaders of our PTAs'. He noted that the PTA in New York State traces its roots back to 1897 and since then has focused its mission on making every child's potential a reality by engaging and empowering families and communities to advocate for all children. Nationwide, today's PTA is comprised of more than four million parents, teachers, grandparents, caregivers, foster parents and other caring adults who share a commitment to improving education, health and safety for all children. It takes countless hours, dedication, endurance and integrity to lead our PTA so that the organization can truly benefit the thousands of students who attend our schools. There is even greater truth to this during times of challenge which we have seen since March of 2020. Mr. Winch remarked that we have not been doing in person recognitions because of COVID but tonight you will be the first to personally receive your certificates but no handshaking or hugs. Dr. McDonald and the Board thanked the PTA members for all the hard work they do.

iii. Food Service Committee

Ms. Dolecek and Ms. Volpe, who run the Food Service Committee, were called up to hand out certificates to the Committee members. Ms. Dolecek thanked the members for their service. She shared that the Committee meets once a month throughout the year and that the contributions and feedback of the members are so essential to making our food program a success.
