Dear Dajuana,

Please find enclosed the New York State Education Dept SUMMER Transportation Contract for the 2022/2023 EYP between Nassau BOCES and your district.

For your convenience, we calculated actual monitors/attendants and the costs on each contract. We do try to limit the number of monitors/attendants needed for your district by including as many same district/same school students on a bus as possible, feasible and practical. Students and monitors/attendants may be added and/or deleted at any time. Group monitors that are shared with another district on the same bus are charged at the shared rate of 50% off the regular cost. Certain changes may impact monthly billing costs. An attendant (1:1) is the same cost as a group monitor and a nurse is the same cost as the pupil of the corresponding school.

Please have your district's BOARD President and Superintendent sign and date each contract using BLUE ink (as requested by New York State). Submit the original contract with original signatures to the New York State Education Department. The approval date has been left blank for the Superintendent's signature and should be filled in before you remit to the state. Please send us a copy of the completed contract(s) for our records.

If you have any questions or concerns, please do not hesitate to e-mail me at [LRice@NasBoces.org](mailto:LRice@NasBoces.org) and Cris Sohmer at [cSohmer@NasBoces.org](mailto:cSohmer@NasBoces.org) or call us at (516) 396-2020.

Thank you for choosing Nassau BOCES.

Very truly yours,

Lisa Rice,  
Senior Manager I
