Since our last meeting, there's been a lot of happenings in General Nation. It is with bittersweet emotion that I share that on March 8th and 9th were the incredible performances of our production of *Mean Girls*. Congratulations to our director Ms. Levenberg, our producer Ms.Wellenruther, our entire lighting and sound crew, and under the direction of Ms. Crystallo and Ms. Brizinski, as well as all of those who worked backstage to make our show the enormous success it was. And of course to all of our amazing and talented student actors and actresses for putting on such a great show. That was my final performance on the Great MacArthur stage alongside the other eight seniors and we will always cherish the experiences and memories we've made along the way. I will miss it tremendously and we'd like to thank all the members of Central Administration and of course the Board of Education for providing us with the ability to showcase our dreams the past four years. #### MEMORANDUM OF UNDERSTANDING

Memorandum of Understanding of Terms of Employment dated this 8th day of May, 2024, between the LEVITTOWN UNION FREE SCHOOL DISTRICT and MICHAEL FABIANO, Assistant Superintendent for Business and Finance.

WHEREAS, as a managerial employee, Mr. Fabiano is neither covered by a collective bargaining agreement nor entitled by law to negotiate with the District for his terms and conditions of employment, and the District does not wish to take any action that could be construed as creating any type of binding contract of employment between them; and

WHEREAS, the District also desires to provide Mr. Fabiano with an outline of the terms and conditions of employment that it has established for him, so as to avoid any misunderstanding or confusion about those benefits; and

WHEREAS, this Memorandum supersedes all prior agreements and understandings between the parties (including, but not limited to, the parties' May 30, 2023 Memorandum of Understanding), which are hereby declared and agreed to be null and void effective as of July 1, 2024.

**NOW THEREFORE**, the District, having exercised its discretion to set Mr. Fabiano's terms and conditions of employment, and having expressed its willingness to codify them pursuant to the caveats set forth above, establishes the terms and conditions of employment for Mr. Fabiano in his position as Assistant Superintendent for Business and Finance, effective as of July 1, 2024, as follows:

1. <u>Effective Date</u>. This Memorandum will be effective as of July 1, 2024 and, unless otherwise modified or Mr. Fabiano's employment is terminated, it will be effective through June 30, 2026. This Memorandum will not be interpreted as creating or constituting a

1

contract or binding agreement of any type. Nothing contained herein will be deemed to in any way restrict or encumber the District's right to grant or deny Mr. Fabiano tenure at the conclusion of his probationary period.

2. <u>Salary</u>. Effective July 1, 2024, the annual salary to be paid to Mr. Fabiano during his service as Assistant Superintendent for Business and Finance will be \$250,169. Effective July 1, 2025, his annual salary will be increased to \$255,172. Mr. Fabiano's salary will be issued in the same manner as other District administrative employees.

3. <u>Work Year/Hours/Holidays</u>. Mr. Fabiano will work the hours necessary to complete his assigned tasks, with no maximum number of hours per week. The work year will be 12 months (July 1-June 30). Mr. Fabiano will be entitled to the following holidays: New Year's Day, Christmas Day, Martin Luther King, Jr. Day, Presidents' Day, Memorial Day, Fourth of July, Labor Day, Columbus Day, Veterans Day, Good Friday, Thanksgiving Day, the Day after Thanksgiving, Christmas Eve, New Year's Eve and Juneteenth. Additionally, Mr. Fabiano will be allowed up to three "floater" days to be taken on days when school is not in session, upon the prior written approval of the Superintendent. Mr. Fabiano will be responsible to work during all other holiday and recess periods.

4. <u>Duties</u>. As Assistant Superintendent for Business and Finance, Mr. Fabiano will be primarily responsible for the financial, budgetary and business functions of the District and will perform any other duties as may lawfully be assigned by the Superintendent of Schools.

5. <u>Vacation</u>. Mr. Fabiano is entitled to 12 vacation days per year, to be utilized with the approval of the Superintendent. Vacation days are not cumulative and must be taken within each year of this Memorandum.

6. <u>Sick Leave/Personal Leave</u>. Mr. Fabiano is entitled to 12 days of paid personal

sick leave and five paid personal days per year. Unused sick and personal days will accrue as sick days without limit. Mr. Fabiano will provide to the Superintendent a doctor's certificate for any period of absence in excess of three working days. Mr. Fabiano will be entitled to be paid for his unused accrued sick and personal leave days, upon retirement from the District, at the rate of one for three, up to a cap of 180 total accrued sick and personal leave days at the time of retirement. Personal Leave Days may be granted for the following reasons:

- (a) Religious Holiday;
- (b) Illness in the immediate family;
- (c) Marriage self or immediate family;
- (d) Necessary Court Appearance (other than jury duty);
- (e) Home title closing;
- (f) Moving; and
- (g) Bereavement.

7. <u>Health Insurance</u>. The District will provide Mr. Fabiano with health insurance coverage through either the Empire Plan or HIP Prime, with the District paying 80% of the premium for family coverage, or the percentage then paid pursuant to the ALSA contract, whichever is more cost effective for the District. These contribution rates will continue into retirement, provided that Mr. Fabiano has at least 10 years of full-time active service in the District.

<u>Disability Insurance</u>. Per the provisions of the 2020-2025 ALSA contract, Article VI(3).

<u>Dental Insurance</u>. Per the provisions of the 2020-2025 ALSA contract, Article
 VI(5), to continue into retirement.

5/8/24

10. <u>Life Insurance</u>. Pursuant to the terms of the District's life insurance policy for employees in the class "All Full Time Salaried Superintendents," the District will provide term life insurance coverage for Mr. Fabiano during the term of his employment equal to the greater of: (1) two and half times his annual earnings, not to exceed \$500,000, if he provides evidence of insurability satisfactory to the insurance carrier; or (2) the Policy's Guaranteed Issue amount (*i.e.*, \$280,000 for individuals who were not insured under a Prior Plan).

11. <u>Excess Major Medical/Vision</u>. The District will provide Mr. Fabiano with the same Excess Major Medical/Vision plan, pursuant to the same eligibility requirements, as is provided to ALSA unit members, to continue into retirement.

12. <u>Travel</u>. Mr. Fabiano will be reimbursed for all travel related to his job at the amount set by the Board of Education for District-wide mileage. Mr. Fabiano may attend, at District expense, appropriate professional meetings, organizations and seminars, upon obtaining the prior approval of the Superintendent of Schools, including professional memberships as approved by the Superintendent of Schools.

13. <u>Defense and Indemnification</u>. The District will provide the Assistant Superintendent for Business and Finance with legal counsel of his choice and will indemnify and hold him harmless pursuant to New York Public Officers Law Article 18 and New York Education Law §§ 3023 and 3811 against all costs and damages arising out of any proceeding, claim, demand, suit or judgment by reason of any action taken or not taken by the Assistant Superintendent for Business and Finance while acting within the scope of his employment. As a condition of receiving this defense and/or indemnification, the Assistant Superintendent for Business and Finance will, within 10 days of the time that he is served with any summons, complaint, process, notice, demand or pleading, deliver a copy of the same to the District. In

4

addition, the District will reimburse the Assistant Superintendent for Business and Finance for any and all incidental costs incurred by him (and, if he is no longer employed by the District, his daily attendance at his final per diem salary) relating to his attendance and/or participation in any court, administrative and/or other proceeding in which his participation is due to him serving or having served as Assistant Superintendent for Business and Finance. However, this paragraph will not apply to any proceedings, actions, or litigation instituted against the Assistant Superintendent for Business and Finance by the District including, but not limited to, any disciplinary, name-clearing, stigma, or fair hearing for just cause purposes. This provision will survive the expiration of this Memorandum and the Assistant Superintendent for Business and Finance's separation from District employment, regardless of the reason.

14. <u>Flexible Spending Plan</u>. Mr. Fabiano will be deemed to be an eligible employee for purposes of the District's Flexible Spending Plan.

## <u>SUBJECT: SCHOOL DISTRICT AND BOARD OF EDUCATION LEGAL</u> <u>STATUS AND AUTHORITY</u>

The Constitution of New York State, as amended in 1894, instructs the Legislature to provide for a system of free common schools wherein all children of the State may be educated.

The State Legislature has implemented this constitutional mandate through the creation of school districts of various types. The Levittown Union Free School District is governed by the laws set forth for Union Free School Districts in Education Law Article 35, and by laws relating to, or affecting, Common School Districts as set forth in Education Law Article 33.

The School District constitutes a municipal corporate entity that possesses all the usual powers of a corporation for public purposes, and in that name may sue and be sued, purchase, hold and sell personal property and real estate, and enter into such obligations as are authorized by law.

The Constitution of the State of New York places the responsibility for public education on the State Legislature, and directs the establishment of a State Department of Education for general supervision over the schools and headed by a Commissioner of Education. The New York State Constitution further provides that local public schools under the general supervision of the State Education Department shall be maintained, developed and operated by locally elected boards. Legally, local boards are subject to the New York State Constitution, the New York Statutes and the regulations of the State Education Department and its Commissioner.

#### **Board of Education Authority**

As a body created under the Education Law of New York State, the Board of Education of the Levittown Union Free School District has full authority, within the limitations of federal and state laws and the Regulations of the Commissioner of Education and interpretations of them, to carry out the will of the people of its District in matters of education.

In all cases where laws or regulations of the State Commissioner of Education do not provide, permit, or prohibit, the Board shall consider itself the agent responsible for establishing and appraising educational matters and activities.

Board members have no authority over school affairs as individuals. They have authority only when acting as a body duly called in session.

#### SUBJECT: RESIGNATION AND DISMISSAL

Board members may resign at a District meeting of residents (i.e., the annual meeting, not a regular Board of Education meeting) or by filing a written resignation with the District Superintendent of the Supervisory District who must endorse his/her approval and file the resignation with the District Clerk.

Alternatively, a Board member may resign under Public Officers Law Section 31 by filing a written resignation with the District Clerk. The Clerk must then notify the School Board and the State Board of Elections.

A resignation may be withdrawn only with the consent of the person to whom the resignation was delivered (i.e., the District Clerk or BOCES District Superintendent). The School Board has no authority to act upon a request to withdraw a resignation.

The resignation shall take effect upon the date specified in the letter of resignation; however, if no effective date is specified, it shall take effect on the date of delivery to or filing with the District Clerk. If an effective date is specified in the letter of resignation, such date shall not be more than thirty (30) days subsequent to the date of its delivery or filing.

It shall be the duty of each member of the Board of Education to attend all meetings of the Board and, if any member shall refuse to attend three (3) consecutive meetings of the Board after having been regularly notified and a satisfactory cause for each non-attendance is not shown, the Board will proceed to declare that office vacant.

A Board member may be removed from office by the Commissioner of Education for willful violation of any provision of law, neglect of duty, or willfully disobeying any decision, order or regulation of the Commissioner. The Board of Education may also remove a Board member for misconduct relating to the exercise of authority as a Board member. A written copy of all charges made of such misconduct must be served upon the Board member at least ten (10) days before the time designated for a hearing on the charges; and the Board member shall be allowed a full and fair opportunity to refute such charges before removal.

In the event of death, resignation, removal from office or from the School District, or refusal to serve as a Board member, the District has the power and duty to fill the vacancy. If the Board chooses to fill the vacancy by appointment, the appointment requires a majority vote of the <u>full</u> Board and shall be only for a term ending with the next annual election of the School District. The Board may also by majority vote of full Board, determine to leave seat vacant until the next annual election.

The Board, at its own option, may instead call a special election within ninety (90) days to fill the unexpired term. If not filled by Board appointment or special election, the District Superintendent of the Supervisory District may appoint a competent person to fill the vacancy until the next annual election. Alternatively, the Commissioner of Education may order a special election for filling a vacancy. When such special election is ordered, the vacancy shall not be otherwise filled.

A person elected or appointed to fill a vacancy shall take office immediately upon filing the oath of office.

A written copy of all charges made of such misconduct must be served upon the Board member at least ten (10) days before the time designated for a hearing on the charges; and the Board member shall be allowed a full and fair opportunity to refute such charges before removal.

In the event of death, resignation, removal from office or from the School District, or refusal to serve as a Board member, the District has the power and duty to fill the vacancy. If the Board of Education chooses to fill the vacancy by appointment, the appointment requires a majority vote of the <u>full</u> Board of Education and shall be only for a term ending with the next annual election of the School District. The Board may also by majority vote of full Board, determine to leave seat vacant until the next annual election.

The Board of Education at its own option, may instead call a special election within ninety (90) days to fill the unexpired term. If not filled by Board appointment or special election, the District Superintendent of the Supervisory District may appoint a competent person to fill the vacancy until the next annual election. Alternatively, the Commissioner of Education may order a special election for filling a vacancy. When such special election is ordered, the vacancy shall not be otherwise filled.

A person elected or appointed to fill a vacancy shall take office immediately upon filing the oath of office.

#### **RESIGNATION AND DISMISSAL**

Board of Education members may resign at a School District meeting of residents (i.e., the annual meeting, not a regular Board of Education meeting) or by filing a written resignation with the District Superintendent of the Supervisory District who must endorse his/her approval and file the resignation with the District Clerk.

Alternatively, a Board of Education member may resign under Public Officers Law Section 31 by filing a written resignation with the District Clerk. The Clerk must then notify the Board of Education and the State Board of Elections.

A resignation may be withdrawn only with the consent of the person to whom the resignation was delivered (i.e., the District Clerk or BOCES District Superintendent). The Board of Education has no authority to act upon a request to withdraw a resignation.

The resignation shall take effect upon the date specified in the letter of resignation; however, if no effective date is specified, it shall take effect on the date of delivery to or filing with the District Clerk. If an effective date is specified in the letter of resignation, such date shall not be more than thirty (30) days subsequent to the date of its delivery or filing.

It shall be the duty of each member of the Board of Education to attend all meetings of the Board of Education and, if any member shall refuse to attend three (3) consecutive meetings of the Board of Education after having been regularly notified and a satisfactory cause for each non-attendance is not shown, the Board of Education will proceed to declare that office vacant.

A Board of Education member may be removed from office by the Commissioner of Education for willful violation of any provision of law, neglect of duty, or willfully disobeying any decision, order or regulation of the Commissioner. The Board of Education may also remove a Board member for misconduct relating to the exercise of authority as a Board member. A written copy of all charges made of such misconduct must be served upon the Board member at least ten (10) days before the time designated for a hearing on the charges; and the Board member shall be allowed a full and fair opportunity to refute such charges before removal.
