

**SUBJECT: STUDENT GENDER IDENTITY**

All students need a safe and supportive educational environment to progress academically and developmentally. The District is committed to fostering a safe learning environment for all students, free from discrimination and harassment on the basis of sex, gender, gender identity, gender nonconformity, and gender expression. In accordance with applicable law, regulations, and guidelines, the District will ensure that students have equal access to all District programs, facilities, and activities. The District will assess and address the specific needs of each student on a case-by-case basis.

**Key Terms**

“Assigned at birth” means the sex designation, usually male or female, assigned to a person when they are born.

“Cisgender” means a person whose gender identity corresponds to their assigned sex at birth.

“Gender” means actual or perceived sex and includes a person’s gender identity or expression.

“Gender expression” means the ways in which a person conveys their gender identity to others, such as through behavior, appearance, clothing, hairstyle, activities, voice, and mannerisms.

“Gender identity” means a person's inner sense or psychological knowledge of being male, female, neither, or both.

“Gender nonconforming” (GNC) means someone whose gender identity or gender expression does not conform to social or stereotypical expectations of a person with that gender assigned at birth. This is also referred to as gender variant or gender atypical.

“Transgender” means someone whose gender identity is different than their assigned sex at birth.

“Transition” means the process by which a person socially and/or physically aligns their gender expression more closely to their gender identity than their assigned sex at birth.

**Records**

Following the submission to the District of documentation showing that a current or past student’s name and/or gender has been legally changed by a court or through amendment of a State or federally-issued identification, the District will update the student’s name and/or gender on any document or record issued or maintained by the District, including official records, but not on any archived records that cannot be accessed or when modifying an archived record is prohibited by law or regulation.

**SUBJECT: STUDENT GENDER IDENTITY (Cont'd.)**

For any current or past student who has not provided the District with documentation showing that the student's name and/or gender has been legally changed by a court or through amendment of a State or federally-issued identification, the District will, upon request, update the student's unofficial school records to reflect the student's asserted name and/or gender.

The District may, however, use the student's legal name and/or gender in certain limited circumstances, including to provide or to coordinate appropriate medical care. Any student identification cards will be issued with the name reflecting the gender identity the student consistently asserts at school.

The District will maintain the confidentiality of student information and records as required by law. Further, any records with a student's assigned birth name and gender will be maintained in a separate, confidential file.

**Names and Pronouns**

When apprised of a student's transgender or GNC status, the District will endeavor to engage the student and their parents or guardians, as appropriate, in an effort to agree upon a plan that will accommodate the student's individual needs at school. Transgender and GNC students have the right to discuss and convey their gender identity and expression openly and to decide when, with whom, and how much to share this confidential information. The plan may therefore include when and how to initiate the student's preferred name and associated pronoun use and if, when, and how this is communicated to others. District staff will use the name and pronoun that corresponds to the gender identity the student consistently asserts at school.

**Restrooms and Locker Rooms**

The District will allow a transgender or GNC student to use the restroom and locker room that corresponds to the student's consistently expressed gender identity at school. Any student requesting increased privacy or other accommodations when using bathrooms or locker rooms will be provided with a safe and adequate alternative, but they will not be required to use that alternative. Additionally, the District will ensure that all single-occupancy bathroom facilities are designated as gender neutral for use by no more than one occupant at a time or for family or assisted use.

**Physical Education and Sports**

Physical education is a required part of the District's curriculum. Where these classes are sexsegregated, students will be allowed to participate in a manner consistent with their gender identity. Students will likewise be allowed to participate in intramural activities consistent with their gender identity.

Upon written notification that a transgender or GNC student would like an opportunity to participate in the District's interscholastic athletics program consistent with their gender identity,

**SUBJECT: STUDENT GENDER IDENTITY (Cont'd.)**

the District will determine their eligibility in accordance with applicable law, regulations, and guidelines.

The District's Athletic Director may notify opposing team Athletic Directors or the New York State Public High School Athletic Association if a student needs any accommodations during competitions. Any appeal regarding the District's eligibility decision will be directly to the Commissioner of Education.

**Other Activities**

Generally, in other circumstances where students may be sex-segregated, such as overnight field trips, students may be permitted to participate in accordance with the gender identity that the student consistently asserts at school. Student privacy concerns will be addressed individually and on a case-by-case basis in accordance with District policy and applicable law, regulations, and guidelines.

**Dress Code and Team Uniforms**

Transgender or GNC students may dress in accordance with their gender identity or expression, within the parameters of the District's dress code. The District will not restrict students' clothing or appearance on the basis of gender.
