DRIVER EDUCATION GENERAL PROCEDURES

1. You should take your child to the Motor Vehicle Department and make the necessary arrangements to obtain a permit.
2. Permit holder restrictions - Nassau/Suffolk Counties - a student may only drive between 5 AM and 9 PM and must be accompanied by a licensed parent, guardian, person in position of loco parentis, or Driver Education teacher. Please check the Department of Motor Vehicles website for further regulations: www.dmv.ny.gov
3. You should immediately notify your insurance carrier that your child has a permit and will be practice driving with your car. Remember you are liable for your child's actions.
4. Students must pass both the classroom and the road training phases of the Driver Education Course separately, in order to obtain a Certificate of Completion (MV -285), formerly known as the "blue card."
5. Make-up time can be accepted for 3 absences only. Arrangements for make-up classes can be arranged through your child's Driver Education Instructor. NY State laws dictates that a fourth absence results in a withdrawal from the program.
