

If your child wishes to begin or continue studying a musical instrument, Levittown's Summer Music Program might be just the right opportunity! Offering band and orchestra instruction for Grades 3-12, the program provides a head-start for beginners or enrichment for those already involved. Since the program is open to the entire district, students might make new friends with similar interests. For students who are already enrolled in a performing ensemble at school, they will also have the opportunity to showcase what they have learned over the summer at the culminating **Summer Concert on August 12th at 11:00am.**
