June 2022

Dear Levittown Families of Incoming 10 Pre AP and 12th grade Students,

It is hard to believe that we only have a few short weeks left in the school year. Summer is right around the corner! With that being said, we are embarking on our Summer Reading for summer 2022.

Students entering 10 Pre AP and 12th grade English courses will read an assigned book. For the 10 Pre AP students, they will read *Outliers* by Malcom Gladwell and complete the double entry chart found on the district home page and your high school's homepage. For the 12th grade College Writing course, students will read an assigned book entitled *When I Was Your Age* edited by Amy Ehrlich. For the 12th grade English Literature course, students will read *Monsters: A Bedford Spotlight Reader* by Andrew J. Hoffman. See assignments that coincide with each of the 12th grade courses on the district home page and your high school's home page. These books were handed out to the incoming 10 Pre AP and 12th grade students by the high school librarians.

Students must read their assigned books thoughtfully and be prepared to come into class on September 6, 2022 ready to discuss, share, and write about what they read in their assigned book. Simply skimming the book will not be acceptable. Students are encouraged to use post-its as they read as this helps with their critical analysis and comprehension of what they read.

The double entry chart for the assigned 12th grade assignments can be found on the district home page and your high school's home page and are expected to be completed and handed into the student's English teacher upon the commencement of the 2022-23 school year.

The first unit in your English class will include a written assignment based upon your assigned summer reading book. As such, the reading must take place prior to the start of classes. First quarter grades will include class activities and written assessments that are associated with your assigned summer reading book.

Thank you for your support and encouragement with this initiative. This will help us succeed in getting our students prepared for their new grade level in the fall and encourage the love of reading. I wish you the happiest of summers. Happy Reading!

Sincerely,
Kerin L. Slattery
