June 2022

Dear Levittown Families of Incoming 10th and 11th graders,

It is hard to believe that we only have a few short weeks left in the school year. Summer is right around the corner! With that being said, we are embarking on our Summer Reading for summer 2022.

Students entering grades 10 and 11 will engage in an independent reading experience where they will choose their own book to read from the suggested summer reading list for each grade level. Please find the summer reading list per grade level on the district website and on your high school's home page under Summer Reading Assignments.

Students must read their chosen book thoughtfully and be prepared to come into class on September 6, 2022 ready to discuss, share, and write about what they read in their chosen book. Simply skimming the book will not be acceptable. Students are encouraged to use post-its as they read as this helps with their critical analysis and comprehension of what they read.

The double entry chart, found on the district home page and your high school's home page is expected to be completed and handed into the student's English teacher upon the commencement of the 2022-23 school year.

The first unit in your English class will include a written assignment based upon your chosen summer reading book. As such, the reading must take place prior to the start of classes. First quarter grades will include class activities and written assessments that are associated with your chosen summer reading book.

Thank you for your support and encouragement with this initiative. This will help us succeed in getting our students prepared for their new grade level in the fall and encourage the love of reading. I wish you the happiest of summers. Happy Reading!

Sincerely,
Kerin L. Slattery
