Success for Every Student

Kerin L. Slattery
Director of ELA

Dear Parent/Guardian,

Summertime is an exciting time for students filled with outdoor activities, sunshine and fun! In an effort to assist students' learning throughout the summer months, Levittown School District is offering an opportunity for students to continue their learning in reading using the web-based i-Ready instructional pathway. The program will be available to all students in grades 6-8 from June 27th until August 12th. The students will have the ability to login to the i-Ready program to engage in personalized lessons. Your child will have a cooperating teacher that will oversee his/her instructional time on the program and manage the lessons of the online platform.

In addition to the i-Ready online platform, there are i-Ready paper-based resources and activities for reading and writing for students in grades 6-8 available on the Levittown Summer Reading webpage under the **Middle School** heading. These resources can also be found on the home pages of Jonas E. Salk and Wisdom Lane Middle Schools under **Summer Assignments**. We are excited to be able to offer continued support for your child's success in ELA during the summer months. As this is a voluntary program, we encourage students to participate to the greatest extent possible. We are confident that the home-school connection in conjunction with the i-Ready program will benefit your child's growth.

Below you will find information about the i-Ready online instructional program, which includes a detailed overview:

Program Overview:

- Seven weeks in length:
- Begins: Monday, June 27th, 2022
- Ends: Friday, August 12, 2022

The program is focused on providing additional, personalized ELA instruction during the summer months for all students. Students will complete lessons in ELA on their individualized instructional pathway. One teacher will be assigned, as follows, to support students during the summer months:

6-8 ELA: Mrs. Michele DiLevo- Salk mdilevo@levittownschoools.com
Mrs. Meghan Mastronardi- Wisdom mmastronardi@levittownschoools.com

If your child does not remember the login information, please contact the appropriate teacher listed above.

We look forward to providing this opportunity to support your child throughout the summer and to establish a foundation for future success during the 2022-2023 school year.

Thank you,
Kerin L. Slattery
