

Name: _____
 Title: _____
 Author: _____

Summer Reading Chart

Directions: As you read, consider and record the aspects that you find most important or interesting. You will need to note the **specific page** where you found the line, identify **the speaker**, establish what was happening right before the quoted lines, copy the lines **verbatim**, and **explain** why the quote is important in understanding the text.

Page #	Speaker	Context - What was happening before the quoted lines?	Quoted Lines	Significance - How did this quotation further develop a theme/character/ conflict/ plot point/ setting/ etc?

Page #	Speaker	Context - What was happening before the quoted lines?	Quoted Lines	Significance - How did this quotation further develop a theme/character/ plot point/ setting/etc?
