Dear Parents and Guardians of 10<sup>th</sup> and 11<sup>th</sup> grade students:

Division Avenue High School will be administering the PSAT/NMSQT exam at the high school on **Saturday, October 15**. The PSAT/NMSQT exam is a standardized test that provides firsthand practice for the SAT Reasoning test. It also gives students a chance to enter the National Merit Scholarship Corporation (NMSC) scholarship programs. The exam assesses a student's readiness for college and is composed of three tests: writing, critical reading and mathematics. **The test begins at 8:00am and ends at approximately noontime.**

**Registration will be held during Lunch Periods 4-7 (9:50 AM – 12:50 PM) as follows:**

<b>Grade 10:</b>	<b>Tuesday September 13<sup>th</sup></b>	<b>Cafeteria Hallway</b>
<b>Grade 11:</b>	<b>Tuesday September 20<sup>th</sup></b>	<b>Cafeteria Hallway</b>
<b>Grades 10 &amp; 11:</b>	<b>Friday, September 30<sup>th</sup></b>	<b>Guidance Office</b>

**Friday, September 30<sup>th</sup> is a hard deadline and we will not accept payment/forms after this date.** Juniors who may be financially eligible for a fee waiver should see the guidance secretaries as soon as possible. All students will receive a practice booklet when they register.

It is recommended that 10<sup>th</sup> grade students choosing to take the PSAT this year be enrolled in an accelerated math class, as the PSAT covers Geometry, which many 10<sup>th</sup> grade students have not yet completed. In addition, only 11<sup>th</sup> grade students are eligible for the NMSQT program based on the results of the test. 10<sup>th</sup> grade students who opt to take the PSAT this year should take it again in the 11<sup>th</sup> grade for scholarship opportunities.

Although the test begins at 8:00am, **students are required to come at 6:45am** in order for staff to maintain a safe environment and ensure the students are adhering to procedures.

Enclosed you will find information relating to the administration of the exam and the registration process. If you have any questions about the PSAT exam, please feel free to contact your child's counselor. You can also visit the College Board website ([www.collegeboard.org/psat](http://www.collegeboard.org/psat)) for further information.

Sincerely,

Mark Curtiss  
Guidance and Counseling Department Chairperson
