IMPORTANT SCHOOL INFORMATION

Attendance

Students are expected to be in school and on time every day. Regular attendance can help ensure student success with both academic and personal goals. Being late or absent 2 or more days per month can impede a child's ability to learn in the classroom. Attendance is part of a child's legal educational record. Parents are required to provide a written excuse for every absence a child accrues.

Please visit

<https://www.levittownschools.com/boe/policies/attendance/> for more attendance information.

Safety

Throughout the school year, we conduct safety drills to teach students and staff how to respond during an emergency. Students are taught the terms and protocols that will help keep them safe. We conduct fire drills, evacuation drills and lockdown drills. During drills, we take every precaution to ensure students understand these are practice situations and not real events to alleviate any anxiety they may have.

Health and Wellness

The health and wellness of our school community is of the utmost importance. Please keep students home if they are sick and notify the nurse for each day your child is absent. You may call the **direct line to the nurse at 516-434-7428** and leave a message. Please state the child's name, grade, teacher, and the reason for the absence. Parents are required to provide a written excuse when the child returns to school. Please visit <https://www.levittownschools.com/resources/parent/> for more health and wellness information.

Transportation

The District provides a school bus for each child who qualifies. Bus students must follow the Transportation Department's rules or face suspension or loss of bus privileges. Please note this Board of Education bus policy: *"Board of Education and insurance rules permit only regularly scheduled pupils to be transported in the district's buses. Children who are not eligible for transportation cannot be put on a bus for any reason. If a child is eligible for transportation and is assigned to a specific bus, the child cannot take another bus, i.e., to another stop to visit a friend."*

Please note: Students scheduled to take the bus will go on the bus unless a written note is provided indicating a change.
