Honorary Life Membership Award

East Broadway School PTA

November 24, 2020

Attention PTA Parents, Teachers, Students and Staff members,

Do you know someone who has gone above and beyond for children? Each year every school in the district awards an Honorary Life Membership Award to an individual in recognition of his/her outstanding and distinguished service on behalf of children and youth. This person can be a parent, teacher, business owner or “just” a community member.

If you know a person whom you believe is deserving of the Honorary Life Membership Award, please submit a one-page biography of why you believe he or she is deserving of the award. The nominee does not have to be a PTA member. Please note, however, that the person doing the nomination **MUST** be a PTA member.

Kindly email your nomination, subject line: “PTA Honorary Life” to iluvfriendz711@yahoo.com.

The deadline for nominations is December 9, 2020

If you have any questions, please contact Sharon Levy at iluvfriendz711@yahoo.com
Or (516) 695-7379 East Broadway School PTA Honorary Life Committee Chairperson
