

Graduation Lawn Signs

The PTA normally surprises our graduates with lawn signs when they wake up on graduation morning. Last year we had photo lawn signs for our fifth graders. We loved it so much and would like to offer this option for this years graduates.

If you would like a photo lawn sign there will be a \$9 fee (you can Venmo to EBPTA and put your child's name in the comments along with "Lawn sign")

If you would like a regular lawn sign there is no charge to you.

See both examples below.

Please fill out the Google Doc EITHER WAY so that we know your preference. We will need a google doc completed for ALL graduates.

Please comment here with any questions.
