## Connecting Our School, Students, & Families

### Welcome Back 2022-2023

Dear East Broadway Families,

Welcome back! We are looking forward to working with the staff and families of East Broadway to make the 2022-2023 year a great one.

We are excited to welcome the students back and remind them how sweet it is to be a student at East Broadway.

This year's membership campaign will focus on the theme "Life is Sweet at East Broadway." Our goal is to show the children that after all the sacrifices many of us have made, life can be sweet again. Our East Broadway Community is certainly the place you'll find that to be true! We have the sweetest, most creative, resilient students, parents, teachers, staff, and administration around.

We recommend everyone become a PTA member. Your membership is what allows us to create memorable events for our kids. When signing up, please be sure to include your email address. This will allow all our communication to reach you. Our main form of communication will continue to be PTA MemberHub as we are trying to avoid sending papers through the school. Our top priority is reaching all East Broadway families. All contact information will be kept confidential by the PTA Executive Board. Information on how to become a member can be found on page 2.

Our goal is to continue to make East Broadway a place where our children feel safe, happy, and loved. As always, your involvement is needed to help us achieve this goal. More information can be found under "Join A Committee." Please feel free to reach out with any questions you may have, and if we don't have the answers, we will find them for you.
