Dear Gardiners Avenue Parents/Guardians,

As we get ready to start the 2022-2023 school year, I would like to welcome everyone back to Gardiners Avenue for another amazing new school year as well as welcome all of our new students/families to our school and district. We hope that everyone had a wonderful summer vacation with fun-filled memories with your family and friends. We are looking forward to the start of school and know that our staff members are eagerly awaiting the return of our students in order to support them on their path to success!

In addition, our goals for Gardiners will remain the same as we continue to focus on providing opportunities for our students to reach the district’s goal of “Success for Every Student”. Know that our building and district are committed to working collaboratively with families so that our students can grow academically, socially, and emotionally both inside and outside of the classroom. We look forward to working with both you and your child to support them in their educational journey.

In an effort to showcase and highlight the many wonderful events/activities that are taking place in our building, we encourage you to visit the district website for important updates and to follow our school/district on various social media platforms (Instagram, Twitter, and Facebook). You will be able to quickly find out the latest news (activities, events, etc.) happening at Gardiners Avenue and within our district. We look forward to seeing everyone soon!
