Instrumental Continuing Enrollment Letter / Form for the 2020-2021 School Year

Dear Parents/Guardians of 3rd and 4th grade Band/Orchestra Students,

It's that time of the year where we begin enrollment for the upcoming school year for instrumental lessons! At this time, we are enrolling students who wish to continue their instrumental studies.

Students in Band and Orchestra will have 2 performances a year. The Winter Concert which is held in January and the Spring Concert which is held in May. Continuing students will have the opportunity to be in both performances. In addition, Band students will have the opportunity to march in the Memorial Day Parade and 3rd and 4th Orchestra students will take part in the 5th Grade Graduation Ceremony.

This year our enrollment process will be different. Continuing students will enroll using the following link. If your child will continue on the same instrument, they will be guaranteed that instrument. I encourage all students to continue on the same instrument. If for some reason they wish to change, please reach out to me before filling out the enrollment form so we can discuss which instruments I would recommend for an easy transition to a new instrument. See below for the link:

I hope that everyone continues along their instrumental music journey even if you wish to change instruments! We have exciting plans for the upcoming school year that your child will certainly not want to miss! If you have any questions/concerns, please reach out to me via e-mail.

Musically,

Mr. Nobile
