Welcome Back Roadrunners!

Dear Lee Road Families,

Welcome back! I cannot tell you how excited we are to have our students returning to Lee Road for another school year. There is something special about the energy and anticipation that fills our building at the start of a new year, and we have been counting down the days until we see everyone again.

Whether this is your child's first day of kindergarten or they are heading into fifth grade as one of our seasoned leaders, we are so glad they are part of our Lee Road family. Every student brings something unique to our school, and we truly value the diversity of experiences, talents, and personalities that make our community so vibrant.

We take seriously the trust you place in us when you send your children through our doors each morning. As a parent myself, I understand how important it is to feel confident that your child is safe, cared for, and genuinely known by the adults around them. That is exactly what we strive for here at Lee Road. Our teachers and staff are not just here to teach academics. They are here to build relationships, to notice when a child needs extra encouragement, and to celebrate the small victories that happen every single day.

We believe that strong partnerships between families and school make all the difference. You know your child better than anyone, and we want to hear from you. If something is on your mind, if you have a question, or if you just want to share something great that happened at home, please reach out. Communication goes both ways, and we are always here to listen.

This year, we are continuing our focus on creating a positive, welcoming environment where every student feels like they belong. We want our students to walk into school feeling excited about what the day will bring and to leave feeling proud of what they accomplished. We want them to know that mistakes are part of learning, that asking questions is encouraged, and that kindness matters just as much as academics.

Thank you for being part of our Lee Road community. We are so lucky to work with your children, and we are looking forward to all the learning, laughter, and growth that this year will bring.

Here's to a fantastic year ahead!

Sincerely,

Jami Anspach

Principal, Lee Road Elementary School

Important Reminders:

- **First Day of School:** September 1, 2026
- **Back to School Night for Grades 1-5:** September 10th (More info to follow)

See you soon!

Success For Every Student
