Mrs. Torre and Ms. Bishof's class had a great time at The Outdoor Learning Center. They explored the green house, learned about plants and planted their own wildflowers and sunflowers.

Members of the Lee Road chorus had a great time singing at the Ducks game this weekend! Thank you to everyone who came out to support us!

5th Grade Campers had a blast at Club Getaway! They engaged in various adventures, such as zip lining, conquering an aerial ropes course and rock climbing, while making connections, overcoming challenges and strengthening bonds through shared experiences.

Things are really “shaping up” in Mrs. Marek and Ms. Barbara’s class! Students used modeling clay and toothpicks to make 2D and 3D shapes!

Mrs. Napoli and Mrs. Matos' 4th graders had a fun and delicious time creating solar ovens to make S'mores!

The LEADD Committee and RISE committees at Lee Road planned a week of activities in honor of mental health awareness month. They highlighted the 5 C's that contribute to overall emotional wellbeing: compassion, coping, confidence, contribution, and connection. Students participated in a host of activities, including affirmation, breathing, positive self-talk, and showing kindness to yourself and others. Spirit wear was worn, as well, in conjunction with the theme of the day. The week culminated in 'Mix it Up at Lunch' day, when students' seats were scrambled in the lunchroom, providing opportunity to develop new friendships. Staff volunteers were on hand with conversation-starter cards to help facilitate the event. The students and staff learned a lot and enjoyed the week!

Third grade students in Mrs. Dillion and Mrs. Martinez' classes began learning about Mexican culture by participating in a Oaxaca 'Red Trunk Project" gallery walk. The Oaxaca Red Trunk is filled with more than 60 objects representing the material culture of the State of Oaxaca, Mexico. These artifacts come from one of the eight geographic regions of Oaxaca, the Valles Centrales, the Central Valleys, where the state capital Oaxaca de Juarez ("Oaxaca City") is located.

Students in Ms. Checco and Ms. Downing's K-Kids Club recently took time to create colorful, uplifting cards for patients at Cohens Children's Hospital. Their heartfelt messages and kind words are a beautiful reminder of the power of compassion and community.

First grade students put their geologist skills to the test in Career Exploration class. Students carefully sifted through sand to find and sort rocks. They loved being geologists.
