Students would assist in designing the MacArthur High School's yearbook. Members of this club will be responsible for gathering all of the necessary information. Furthermore, students will gain insight into all phases of Desktop Publishing and computer graphing.

Young Composer's ClubAdvisor: Mr. Romano
The Young Composer's Club is an organization open to all students with an interest in composing music. The club is designed to provide a venue for the exploration of various aspects of being a professional composer as well as to create a forum for the exchange of ideas among students who share a common interest.

ENL Club Advisor: Ms. NaimoolChadee
The ENL Club provides support in ENL students acclimating to a new country, city, or school. Cultural traditions are shared. We have discussions on issues in school, which affect ENL students.

Environmental AwarenessAdvisors: Dr. Friedman & Mr. Zausin
The purpose of this club is to expose students to the world around them. Students who are in this club will do a number of experiments involving ground and water pollution.

E-Sports.....Advisor: Mr. Kane
Esports is short for electronic sports. The E-sports club will give students the opportunity to be involved in organized video gaming competition either with partners or solo. Esports is about teamwork, communication, strategic thinking and leadership — in all the same ways that traditional sports are.

Fishing ClubAdvisor: Mr. Krucher
The High School Fishing Club welcomes students of all experience levels, from first-time anglers to experienced fishermen. Students learn fishing techniques, knot tying, tackle setup, and different fishing methods while developing an appreciation for conservation and responsible fishing practices. Most importantly, the club provides an opportunity to learn, explore the outdoors, and share a passion for fishing.

Future Healthcare Professionals Club...Advisors: Dr. Friedman & Mr. Zausin
Provides students with a comprehensive look into the diverse world of healthcare. While many students are aware of roles like “Doctor” or “Nurse,” few understand the breadth of specialties - such as medical imaging, surgical technology, healthcare administration, specialized therapy, business administrators, researchers, and countless others – that keep us healthy. The goal of this club is to educate those interested in healthcare on all the different possible professions that are available.

Five Star Social Event CoordinatorAdvisor: Ms. Perry
The 5-Star Social Event Club is designed for students who want to participate more in school activities, including playing a prominent role in the MacArthur H.S. community. Under the guidance of the advisor, this club will meet regularly to plan, discuss and organize school sanctioned events for the benefit of the students' social success and involvement.

International Club Advisors: Ms. Graziano & Ms. Gutierrez
The objective of this club is to enrich students' knowledge of cultures and language of various nationalities.

Jazz Club.....Advisor: Mr. Romano
This club is open to all MacArthur students in grades 9-12 who play the specific instruments required to perform jazz band music (saxophone, trumpet, trombone, double bass and/or electric bass, drum set, piano and guitar). The club offers students the opportunity to experience the psychosocial, cultural, and aesthetic values of jazz music and jazz music performance.

Key ClubAdvisor: Ms. Reynolds
Key Club's primary goal is to teach leadership through service within the school and surrounding communities. Members meet to conduct meetings and collaborate to plan projects that emphasize core values of inclusiveness and respect for each other's ideas.

Levittown Y.O.U.T.H.Advisor: Ms. Dimitri
Levittown Young Organizers United to Help, otherwise known as Levittown Y.O.U.T.H., is a group of students from the Levittown and Island Trees Middle and High Schools working together to create positive change in the Levittown community by raising awareness about the risks and consequences of drug and alcohol use among youth and helping to reduce access to these substances. Help make your community a safer, healthier, and happier environment all the while earning community service hours and creating friendships across the town.

Lighting and Sound Advisor: Mr. Orellana
This club meets on a weekly basis to plan for upcoming events, which include the use of lighting and sound. Alternate weeks are used to train younger members on new equipment.
