

## *The National Art Honor Society Eligibility*

---

The National Art Education Association obtained a grant in 1978 from the Alliance for Arts Education to develop a National Art Honor Society specifically for high school students. This organization continues to grow at a rapid pace as more schools become aware of the vital role this program can play in the total educational environment.

The MacArthur High School Chapter of the National Art Honor Society is dedicated to follow the mission of the National Art Honor Society which is:

1. Foster excellence and a dedicated spirit in the pursuit of art
2. Further the creative abilities and talents of the Society's members as well as the school's entire student art enrollment
3. Aid members in working toward the attainment of their highest potential
4. Inspire and recognize those students who have shown outstanding ability in art
5. Increase awareness of art in relation to other areas of the school curriculum
6. Bring art to the attention of the school and community
7. Further aesthetic awareness in all aspects of the school's total program

In order to be considered for the National Art Honor Society you must meet certain criteria which are:

**Art average of 90 or better**

**Academic average of 80 or better**

**Intention to enroll in at least one art class per year**

Teacher recommendation: your art teacher believes you will be an asset to our MacArthur Art Honor Society Chapter because of your artistic ability, diligence, good character, and cooperative disposition.
