REGENTS GRADE REQUEST FORM

In June 2021, students were given the option to take the NYS Regents exams in Algebra 1, Earth Science, English, and Living Environment. Students who did not take the exam will have an “E” appear on their transcript indicating the student was exempt from the Regents. If a student chose to take the exam, the student can decide if the actual grade will appear on the transcript. The default option is for an “E” to appear on the transcript. If the student would like the actual numeric grade to appear on the transcript, this form must be completed and filled out no later than September 30th of the student’s junior year and submitted to the Guidance Department.
