October 2022

Dear Northside Families:

I hope this letter finds you and your families happy and healthy at this time. We will be celebrating Halloween on Monday, October 31st, 2022. The children will be allowed to wear costumes to school and ask that you adhere to the costume guidelines below. Once again, we will have our annual Halloween parade for all of our Northside community to attend! This year the parade route will begin at the front of the building at the west side of the front circle located near room 319. The route will follow the walkway of the front of the building, and around the back of the building to the fourth grade dismissal entrance. A Halloween parade route map is included on the back of this letter for your perusal. The parade will begin promptly at 10:00AM and end after the last class concludes the parade route. Parents and family members will be allowed to watch the parade from either the front or the back of the school, but ask that the walkways are clear for the children while on the parade route.

Our wonderful PTA will be providing each grade level with a party in the gymnasium during the school day. The children will enjoy various games, snacks, and a picture booth! Individual classrooms may have small parties during the day. Individual classroom party details will come from your child's teacher.

Please adhere to the costume guidelines stated below:

- Costumes are to be worn to school in the morning.
- Halloween costumes need to be comfortable and fit properly as they will be worn throughout the school day.
- Costumes that are too long, have poor-fitting footwear, or too large pose a safety hazard.
- Students will NOT be allowed to wear masks as they obstruct their view and pose a safety hazard.
- Students will NOT be allowed to have props such as swords, guns, or weapons of any kind.
- Costumes should not depict evidence of violence or violent acts.

School will begin and end at its usual time, 9:10AM - 3:28PM.

The Halloween Parade will be cancelled if the weather does not permit a safe and comfortable environment for all. Please don't forget to bring your camera!

We thank you in advance for your cooperation as we plan a memorable experience for our children and families. Please don't hesitate to call if you have any questions or concerns.

Sincerely,

Frank Mortillaro, Principal
