

Dear Parents/Guardians and Staff,

Below is the chart of positive COVID-19 cases reported to our schools during the week of:

**June 20 – June 24**

Weekend cases will always be reported in the following Monday's data. This information relies on students' families and staff members to report positive results to Levittown Public Schools. Students should immediately notify their building principal and staff should email their supervisor and [covidnotifications@levittownschoools.com](mailto:covidnotifications@levittownschoools.com).

In an abundance of caution, any close contacts of these positive cases will be notified so that they may quarantine. Following notification of a positive case, all affected areas of Levittown Public Schools' buildings will be thoroughly disinfected before they are occupied again.

We will continue to report in this manner as aligned with the New York State Department of Health. Please remain vigilant with following all Department of Health protocols (e.g. social distancing, face coverings) as we continue to keep our schools and offices as healthy and safe as possible.

## Daily Positive Case Report

### Number of positive cases reported for the week ending June 24, 2022:

Group	6/20/2022 CLOSED	6/21/2022	6/22/2022	6/23/2022	6/24/2022	Weekly Total
Abbey Lane Elementary	0	1	1	1	0	3
