

VIRTUAL Trade College Panel Discussion

**April 14, 2021
6:30-8:30 PM**

Representatives from various trade colleges will discuss their admissions process and available programs.

PRESENTING COLLEGES:

► [THE LEARN CENTER:](#)

The LEARN Center is the only NYSED licensed school to teach heavy equipment operation and safety. Featuring a fully-equipped construction yard and classroom facilities,

► [NASSAU BOCES:](#) The Adult Career and Technical Education program provides industry-aligned career training and experiences empowering students by assisting them with acquiring the employable skills necessary to assimilate into the 21st-century workforce. Students benefit from industrial connections, on-site technical training, and job related certifications in order to become more knowledgeable, and successful employees.

► [ISLAND DRAFTING AND TECHNICAL INSTITUTE:](#) The institute is staffed by faculty members who have had professional and practical experience in Engineering, Architectural, CADD (Computer Aided Drafting/Design), Computer and Electronics fields. The Institute is accredited by the Accrediting Commission of Career Schools and Colleges, and is authorized to confer two-year Associate degrees by the New York State Board of Regents.

This program will take place on the Zoom platform.
