November 2020

Dear Families,

We are pleased to announce that this year's 5th grade field trip will be to [Club Getaway](#) in Kent, Connecticut on May 23, 2023. We have scheduled an extended-day field trip that will allow our students to engage in a variety of environmental/ team-building educational activities at this beautiful outdoor retreat. Guided by the experienced camp facilitators at Club Getaway, students are sure to have a positive outdoor experience that will serve as a highlight of their time at (name of school).

The program will enable us to use the outdoors to facilitate the total education of our students through experiences that cannot be easily conducted in the classroom. This will challenge our students' physical, social, and cognitive skills. Your child and our teachers will join the "Club Getaway" staff to learn firsthand in a natural environment.

The estimated per student cost for this trip will be \$160 and includes the admission price, coach bus, lunch, a midday snack, dinner, all activities, and a dance party! However, the price per child will be determined based on the number of students electing to go on the trip. More information to follow.

In order to effectively and efficiently plan for the trip, please fill out the Google Form below to show if your child would be interested in attending Camp Getaway.

We look forward to this exciting opportunity, and hope that you and your child do as well.

Thank you,

Keith Squillaciotti

Principal
