Summer Music Program Description:

This program is available to beginning, intermediate and advanced students.

Each student receives two 30 minute lessons per week. Students will be able to participate in small lesson groups for their desired instrument. *Times will be assigned and sent by email by June 15th, 2024.*

Beginning students will get a head start on their instrument for the upcoming school year. This is for students who have 0-2 years of instruction and are not enrolled in a performing ensemble.

Intermediate students will receive further instruction on their instrument, including basic music theory, solo and combined repertoire on their instrument. This is for students who have had 3-4 years of study on their instrument and are currently involved in a performing ensemble. Students will have the opportunity to perform at the end of summer concert.

Advanced students will receive advanced instruction on their instrument, music theory, solo and chamber music repertoire to further their musicianship and performance skills. This option is for students who have received 5 or more years on their instrument and are currently involved in a performing ensemble at their school. Students will have the opportunity to perform at the end of summer concert.

If your child wishes to begin or continue studying a musical instrument, Levittown's Summer Music Program might be just the right opportunity! Offering band and orchestra instruction for Grades 3-12, the program provides a head-start for beginners or enrichment for those already involved in a music program. . Since the program is open to the entire district, students might make new friends with similar interests. For students who are already enrolled in an intermediate or advanced group, they will have the opportunity to showcase what they learned over the summer at the culminating Summer Concert August 14th at 10:30am. **Students will receive their schedules for the 2024 Summer Music Program via the email that is provided in the Summer Music Registration form. They will receive this information by June 15th, 2024.**
